

Special Release For Athletes With Atlanto-axial Instability

Certification By Physicians

We have examined the athlete named in the application who has Down Syndrome and who has been diagnosed as having Atlanto-axial Instability. We certify, based on our examinations of the athlete and our review of the health information contained in the application, that despite the diagnosis of Atlanto-axial Instability, this athlete is not medically precluded from participation in Special Olympics. We further certify that we have explained to the athlete named in this application and to the parent or guardian whose signature appears below, (if the athlete is a minor) the medical risks associated with Atlanto-axial Instability and in particular, the risks associated with the athlete's participation in sports or events which, by their nature, may result in hyper-extension, radical flexion or direct pressure on the neck or upper spine. (Signatures of two physicians are required.)

Certification Of Adult Athlete

(Required for adult athletes with diagnosis of Atlanto-axial Instability)

I am the athlete named in this application. I certify that:

1. I have been informed by the physician named above that I have Atlanto-axial Instability.
2. The risks associated with that condition, including the risks from participation in pentathlon, butterfly stroke and diving starts in swimming, high jump, alpine skiing, and soccer have been fully explained to me by the physicians named above, and I fully understand the possible medical consequences if I participate in any of these sports or events.
3. Although I recognize and understand the risks and possible medical consequences, I certify that I am taking these risks knowingly and voluntarily, of my own free will, because of my desire to participate in Special Olympics, including any or all of the sports listed above, based on the certifications of the two physicians named above that I am not medically precluded from participating in Special Olympics.
