- Cycling

Spring Season COVID protocols for practices will be published and communicated on February 15.

Programs are encouraged to start securing practice facilities, communicating with their teams on what they intend to offer and begin verifying individual paperwork. Athlete and Unified partner registration packets can be found [here](#) under "General Resources for All."

Regional and State Games Competitions

Special Olympics Washington will continue to monitor the status of COVID-19 and will be acting under guidance and advice from the CDC, the Washington State Department of Health, and local health authorities. Please be advised that participation and/or events are subject to change or cancellation at any time. Safety is our highest priority.

ADDITIONAL SPORT OFFERINGS

To ensure every athlete has an opportunity to participate, teams may select an alternative sport in place of a spring sport listed above if, for example, they are not able to secure a facility or feel participation would increase by selecting a different sport. Special Olympics Washington will not host a regional or state competition for alternative sports but will provide the resources and COVID protocols to ensure a safe and positive experience for all. Registration for these sports can be done through the spring season registration portal that will also be used to register for competitive and non-competitive sports.

Fit 5

MADE POSSIBLE BY FOUNDATION **Golisano**

KAISER PERMANENTE.

OFFICIAL HEALTH PARTNER OF SPECIAL OLYMPICS WASHINGTON

Healthy athletes are the best athletes! Fit 5 provides athletes with the resources, education, and motivation to improve and maintain their health. Once a week for 8 weeks, teams will spend 10-15 minutes discussing the Fit 5 topic of the week.

Special Olympics Washington athletes aim to meet three goals:

Drink 5 bottles of water a day

Eat 5 servings of fruits and vegetables a day

Exercise 5 times a week

Athletes and teams receive incentives for tracking their goals and submitting that information back to SOWA. Prizes include: water bottles, tshirts, bracelets, water jugs, exercise equipment and more!

Every athlete receives a Fit 5 Guide and goal tracker. The Coaches Guide is a tool to use during practice that leads you step by step through the content to cover with your team. Fit 5 can be lead or co-lead by SOWA coaches, athletes, unified partners, or volunteers.

COACHING TIERS DESCRIPTION

Why Coaching Matters? – Coaching is a vital part of the Special Olympics organization. Our coaches are role models and help improve sports skills in our athletes. It is necessary for our coaches to exemplify good sportsmanship and model character traits to enhance the sports experience for our athletes. The lessons our athletes learn from coaches on and off the field – teamwork, self-discipline, and confidence – carry over into the athletes' everyday lives.

Tier 1 – Sports Volunteer (Chaperone)

The first tier of our Coaches Education program is the Sports Volunteer or Chaperone member of a team/program. Any prospective coach needs to go through these four requirements to be cleared to chaperone a team or an athlete. These are the basic forms that screen our coaches to ensure our athletes safety which is our number one priority in Special Olympics. All of these items will need to be done only once and should take less than 30 minutes in total.

- [Online Background Check](#) (Good Deed Code: **e45cri8**)
- [Protective Behaviors Quiz](#)
- [Orientation Video / General Orientation Quiz](#)

Tier 2 – Head Coach / Assistant Coach

The second tier of our Coaches Education program is the Head Coach/Assistant Coach. Any coach that wants to be a Head or Assistant Coach has to complete all of the items listed below. The items in this tier are more tailored to specific sport needs and require an in-person training. The in-person trainings allow for a development of skills and drills for a sport that coaches can bring back to their practice and games. The online section of this portion will take 1 hour and 15 minutes in total. The in-person trainings will be 3-4 hours depending on sport and venue availability.

- [Concussion Training](#)
- **In-Person Sport Specific training**
- [Coaching Unified Sports](#) – Only required if program/team is in Unified Sports

Tier 3 – Continuing Education

The third tier is the continuing education portion of our Coaches Education program. We want all of our coaches to get involved in other sports and events that Special Olympics has to offer. This is also a great opportunity for our coaches to get more experience with Special Olympics athletes on and off the playing field. We want our coaches to do one of the following each year.

- **Register to volunteer at a Special Olympics Event**
- **Complete a Continued Education Course (Sportsmanship, Principles of Coaching, etc.)**
- **Waiver for Continued Education**

The following Family Code of Conduct should be emphasized during training, competition, and special events at any level – including SOWA, Area Program, National, Regional and World.

As a Special Olympics family member, I pledge the following:

- I will let my athlete choose the sports in which he/she would like to participate. I will not force my choice upon him/her.
- I will remember that athletes participate to have fun and that the game is for them; not for the family members.
- I will see to it that my athlete's medical form is up-to-date, complete, and on file.
- I will learn the rules of the game and the SOI policies before I complain or protest.

- I understand that I play a vital role in the health and safety of my athlete's participation. I have a responsibility to assist Special Olympics in providing for the health and safety of all athletes by reporting suspicious behavior, talking to my child about personal safety, dropping off and picking up my child/guard from Special Olympics events at the times designated by the organization (not excessively earlier or later than said established times), and any and all other reasonable measures to assist in the protection of Special Olympics athletes.
- I (and my guests) will never engage in any kind of unsportsmanlike conduct, such as booing and taunting, refusing to shake hands, or using profane language and gestures with any official, coach, or family member.
- I will never encourage any behaviors or practices that would endanger the health and well-being of the athletes.

- I will praise my athlete for competing fairly and trying hard, and I will make my athlete feel like a winner every time.
- I will never ridicule or yell at my athlete or other participants for making a mistake or losing a competition.
