DIVISIONING & ARTICLE 1

The Official Special Olympics Sports Rules provide standards for Special Olympics training and competition. Article I provides general principles not found in the sport-specific rules and is essential knowledge for all people involved with Special Olympics sports.

IMPORTANT UPDATES AND HIGHLIGHTS

COVID WAIVER:
- As of December 1st, 2022, Athletes, Unified Partners, Coaches, Chaperones, Program Coordinators, and rostered individuals will no longer need to complete the ‘Covid Code of Conduct’ form.
- All persons listed on team or program rosters including Coaches, Chaperones, Athletes and Unified Partners will still need to complete the Communicable Disease/Covid Waiver. This form does not expire and waivers previously accepted will continue to be valid.

COVID SCREENINGS AT PRACTICES:
- We will no longer require teams to perform Covid Screenings upon arrival at practices, events, and competitions. **

COMPETING IN MORE THAN ONE SPORT:
- The policy outlined in the return to activities material restricting athletes to one sport per season has been lifted. Athletes will now be allowed to compete in more than one sport per season, but no more than two (2) sports per season, to include one Individual and one team sport.
- Should an athlete choose to compete in an individual sport and a team sport, the athlete may only advance the ‘Team Sport’ (ie. Basketball and Cheerleading).
WINTER SEASON OFFERINGS

Fitness & Wellness Programs:

**Fit 5:** Special Olympics Washington athletes and teams can take the next steps to become healthier and improve their athletic performance by participating in the Fit 5 program. Fit 5 is based on the three simple goals of exercising 5 days per week, eating 5 total fruits and vegetables per day, and drinking 5 water bottles of water per day. Fit 5 is a flexible program that provides tips and information to lead a healthy lifestyle. Fit 5 is ideally implemented during team sports practices by coaches, volunteers or athlete leaders. Athletes and coaches will receive incentives for tracking their goals! Coaches and Coaches can register and request Fit 5 program materials in the Fall Season Registration form.

**Unified Fitness Clubs:** (Unified Champion Schools only) Unified Fitness Clubs are year-round physical activity-based programs that utilize activity trackers and incentives to engage participants of all abilities and activity levels in healthy lifestyles. Clubs typically meet weekly and select activity types that suit the needs of their members. Athletes and coaches will receive incentives for tracking their goals! UCS coaches or liaisons can register and request Unified Fitness Club program materials in the Fall Season Registration form.

**Walking Clubs:** bring together individuals with and without intellectual disabilities for non-competitive physical activity. Walking Clubs provide the platform and opportunity for individuals to challenge themselves, establish friendships, and exercise. Walking Clubs can be led or co-led by SOWA coaches, athletes, and Unified Partners. Walking Clubs can take place during a traditional sports season or as a standalone club. Athletes and coaches will receive incentives for tracking their goals! Coaches can register and request Walking Club program materials in the Fall Season Registration form.

**E-Sports:** Rocket League is a free, downloadable game on most consoles! This exciting game is a 3 x 3 modified indoor soccer match where each player can customize the vehicle that will be used in the arena.

Those who wish to participate must already have a console and the ability to play online. Competitors can sign up with their existing team of 3. If they do not have a team, they will be assigned one after registration. Interested? Email Tyler Bjork at tbjork@sowa.org

** Special Olympics Washington will continue to monitor the status of COVID-19 and will be acting under guidance and advice from the CDC, the Washington State Department of Health, and local health authorities. Please be advised that participation and/or events are subject to change or cancellation at any time. Safety is our highest priority.**

COACHING TIERS DESCRIPTION

Why Coaching Matters? – Coaching is a vital part of the Special Olympics organization. Our coaches are role models and help improve sports skills in our athletes. It is necessary for our coaches to exemplify good sportsmanship and model character traits to enhance the sports experience for our athletes. The lessons our athletes learn from coaches on and off the field – teamwork, self-discipline, and confidence – carry over into the athletes’ everyday lives.

Tier 1 – Sports Volunteer (Chaperone)

The first tier of our Coaches Education program is the Sports Volunteer or Chaperone member of a team/program. Any prospective coach needs to go through these four requirements to be cleared to chaperone a team or an athlete. These are the basic forms that screen our coaches to ensure our athletes safety which is our number one priority in Special Olympics. All of these items will need to be done only once and should take less than 30 minutes in total.

- Online Background Check
- Protective Behaviors Quiz

Tier 2 – Head Coach / Assistant Coach

The second tier of our Coaches Education program is the Head Coach/Assistant Coach. Any coach that wants to be a Head or Assistant Coach has to complete all of the items listed below. The items in this tier are more tailored to specific sport needs and require an in-person training. The in-person trainings allow for a development of skills and drills for a sport that coaches can bring back to their practice and games. The online section of this portion will take 1 hour and 15 minutes in total. The in-person trainings will be 3-4 hours depending on sport and venue availability.

- Concussion Training
- In-Person Sport Specific training
- Coaching Unified Sports – Only required if program/team is in Unified Sports

Tier 3 – Continuing Education

The third tier is the continuing education portion of our Coaches Education program. We want all of our coaches to get involved in other sports and events that Special Olympics has to offer. This is also a great opportunity for our coaches to get more experience with Special Olympics athletes on and off the playing field. We want our coaches to do one of the following each year.

- Register to volunteer at a Special Olympics Event
- Complete a Continued Education Course (Sportsmanship, Principles of Coaching, etc.)
- Waiver for Continued Education, please contact Coaches@sowa.org

The purpose of Athlete Leadership is to empower athletes to develop leadership skills and utilize their voices and abilities to undertake meaningful leadership roles, influence change in the Special Olympics movement, and create inclusive communities around the state.

**Leadership on Your Team**

**Team Captains** inspire their teammates and add the athlete perspective to training.

Anyone can be a leader. Leadership includes roles like set up and clean up, leading stretches, and being a role model.

**Athlete Leadership Programs**

**Athlete Leadership Councils (ALCs)** are run by athletes and meet monthly. ALCs give athletes the opportunity to develop leadership skills through projects that improve SOWA.

See if your Area has an ALC!

**Athlete Leadership Trainings** prepare athletes to be successful in leadership roles. After the introductory courses, athletes learn to promote health, run meetings, represent SOWA and give speeches.
