

# Special Olympics Health Promotion

## Volunteer Opportunity! 2024 Winter Games: Wenatchee, WA

**Where:** Wenatchee Convention Center, 121  
North Wenatchee Ave. Wenatchee,  
Washington 98801

**When:** Saturday, March 2nd  
3:00pm - 8:30pm

**Health Promotion** uses health screenings, interactive educational tools and displays, motivational literature, and demonstrations to heighten the awareness of athletes, reinforcing the need to improve and maintain an enhanced level of wellness and self-care. It also provides screening for BMI, blood pressure, and bone density.

**Physician Equivalent Volunteers** including **Dietitians, Nutritionists, MD's, Nurses, Dermatologists, Public Health Educators** will lead nutrition, BMI, bone health, sun safety, tobacco avoidance, hygiene and physical activity screenings and education stations.

**Student Volunteers** including **professionals or undergraduate students in a wellness field** such as public health, nutrition, or fitness will assist with screening and education stations as well as check in and out.

If you are interested in volunteering at Special Olympics Washington's Health Promotion screening please sign up using the QR Code below.
