East Sub-Regional Bowling Competition

No experience required! Volunteer Lane Monitors are one of our greatest needs and a great way to get started with Special Olympics Washington.

You'll help keep the competition running smoothly by making sure athletes bowl in order and alternate lanes, assisting with basic lane or mechanical issues, and—most importantly—cheering on our athletes! We'll make sure you have the information you need to jump in and have a great time.

Registration closes at 8:00 AM the Wednesday prior to the event.
