

In order to compete at your best, your uniform and sports equipment needs to be comfortable and fit properly. Brooks will be providing all female athletes with a free fitting and sports bra. Brooks employees will be measuring and fitting SOWA athletes on Saturday August 18<sup>th</sup> from 6:45-9:00pm at Liberty Hall, Room 107.

Sports bra sizes are limited. Sports bras will be distributed while supplies last. If a size is not available, visiting room 107 for measurement is still a great opportunity to learn about the proper fit and size for each individual athlete!
