

## **Return-to-Activities FAQs**

Be sure to read through all the Return-to-Activities protocols on our website linked [here](#). If your question is still not answered in the FAQ below, please contact [rta@sowa.org](mailto:rta@sowa.org) for more information.

## **Phases and Timeline**

### **What phase does our county have to be in to participate?**

Counties must be in Phase 3 for in person practices. If your county is in Phase 2, you may register, but you will not be allowed to move forward to practice until your county reaches Phase 3. Click [here](#) to locate your county's phase.

### **If my county is in Phase 3 when the season starts, but reverts to Phase 2 at any point through the season-what should I do?**

Coaches and Programs will be notified that your county has gone back in phases, and you will be required to stop practice until the county returns to Phase 3.

### **When does the season start and end?**

The season starts July 19 and concludes September 6.
