Time from TriCities: 2hr. 20min.

Time from Wenatchee: 3hr. 22min.

Time from Yakima: 3hr. 16 min.

Special Olympics Washington East Region WSU Parking Instructions:

Individuals can be dropped off in front of the Bohler-Smith Complex, but then the driver of the vehicle(s) must park vehicles in a yellow designated parking lot (**they will be free on Saturday**). These are free parking lots. See the attached map to locate a yellow parking lot. Buses can park in Flag Lane (they must park close to each other) as well as parking lot 160 (Both are marked in red). Vehicles can turn around in the parking lot across from the Smith-Bohler Complex, but don't park in this parking lot, because you will be ticketed. See attached map for the free designate parking locations. Spectators can park in the library parking garage, which is located next to the Smith-Bohler Complex, but there is a fee of \$3.00 for parking in the garage. More information about parking at WSU can be found at <https://transportation.wsu.edu/>
