

Registration Opens: April 21
CommUNITY Challenge begins: May 22
Final Mile Celebration: July 3

WHAT IS THE COMMUNITY CHALLENGE?

The CommUNITY Challenge is a virtual journey across Washington in which Special Olympics athletes, friends, family, and community members connect and compete in distance traveled and funds raised over a six-week period.

Participating individuals and teams will compete virtually to unlock achievements and earn prizes as they travel across our virtual statewide route and raise funds for Special Olympics!

WALK, RUN, ROLL AND MOVE!

Sign up to walk, run, roll and move around Washington by tracking your steps and movements.

Individuals can track their steps by syncing their wearable fitness tracker to the Charity Footprints website OR manually enter steps on Charity Footprints using a pedometer. Athletes can also request physical packets to help them keep track at home.

BONUS: Join us for weekly health and fitness challenges to earn bonus steps. The farther you travel, the more incentives you can earn!

INCENTIVES AND PRIZES

Incentives include a CommUNITY Challenge finisher medal, apparel, gear and accessories. **PLUS the individuals with the most steps and money raised will win special prizes.** Check the event website for more prize information!

FINAL MILE CELEBRATION

Join more than 1,500 CommUNITY Champions on June 26 for a celebration via Zoom and prepare to “go the extra mile” for Special Olympics Washington.

Visit CommunityChallengeWA.com on April 21 for more information!
