

Family Health Forum

MADE POSSIBLE BY **Golisano** FOUNDATION

KAISER PERMANENTE.

OFFICIAL HEALTH PARTNER OF SPECIAL OLYMPICS WASHINGTON

Family Health Forums are designed to bring together **families** of Special Olympics athletes and **health care professionals** to engage in insightful conversations.

Family Health Forums offer a space for families and caregivers to gain **direct access** to health information, resources, and support.

Objectives:

- Provide families with direct access to community leaders, health care professionals, and social service providers.
- Introduce Special Olympics Washington Health Programs & Family Initiatives.
- Provide health care professionals, community leaders and social service providers with the opportunity to learn more about the challenges that athletes and their families face, and explore ways to help facilitate better access to health care, education, and inclusive activities.
