Special Olympics Washington

Members of the Board of Directors of Special Olympics Washington are expected to support the organization with a personal financial contribution and to actively participate in fundraising activities. These activities may include, but are not limited to: recruitment; cultivating and stewarding donors; facilitation of corporate sponsorships; engaging foundation support; and, providing vision and guidance for the agency in pursuit of its mission. For the most recently completed fiscal year (2017) members of the Board of Directors made nearly \$150,000.00 in personal gifts to the agency. This total does not include matching funds.
