Athlete Leadership [Webpage](#)

Team Captains

Having an athlete serve as the captain for their team will help promote leadership amongst athletes and improve team training and competition between sporting teams. Captainship helps prepare athletes for other leadership opportunities such as coaching, mentoring, ambassadorship and volunteering.

Definition of a Team Captain- A team leader, either appointed or voted on, that is a member of a sports team. This person works to inspire teammates and help create a supportive community in every Special Olympics event they attend.

Potential Responsibilities:

- Leads team meetings
- Helps coach technique
- Athlete representative on team decisions
- Motivational/team cheer leader
- Obtains input from team
- Promotes leadership amongst teammates

Qualities of a Team Captain:

- Hard Worker
- Encouraging to others
- Trustworthy
- Respects others
- Passionate
- Communicates effectively

How are team captains identified?

Captains are usually identified through a team election process while coaches input may be required in some situations. Captains serve for the length of one season and each team should elect a new captain at the end of this term. Depending on team dynamics, there may be more than one captain per team.

“One of the main things [our captains] do is set up phone trees and make calls to team members and families. They do a lot of communication for the program which is a huge thing and saves us valuable time. I use their help as much as I can.”

-Santee Brock, *Head Coach, Ski Hawks*

“I went to the coach and let them know that we were independent and knew how to do things without our parents being present. So we helped with a lot of things like accounting for athletes and helping practice events.”

-Candace Madison, *Team Captain North Sound Stars*

Healthy athletes are the best athletes! SOWA teams now have the option to incorporate health into their practices through SOWA's Healthy Communities programs. Healthy Communities serves to raise

awareness around the issue of health disparities facing people with ID, foster development focused on delivering care to people with ID, and ultimately create communities where Special Olympics athletes and others with ID have the same access to health and wellness resources and can attain the same level of good health as others. Examples of local Healthy Community programs available for teams are:

Fit 5 – based on the three simple goals of exercising 5 days per week, eating 5 total fruits and vegetables per day, and drinking 5 water bottles of water per day. Fit 5 provides tips and information to lead a healthy lifestyle through physical activity, nutrition, and hydration. Fit 5 can be lead or co-led by SOWA coaches, athletes, and unified partners.

SOfit – A Unified approach to wellness, which pairs athletes with a Unified Partner, with the primary goal of the program being to guide, educate and encourage athletes and partners to maintain a healthy lifestyle through increased physical activity and improved daily nutrition. SOfit can be lead or co-lead by SOWA coaches, athletes, and unified partners.

Teams interested in improving their health and bettering their athletic performance should fill out this form: <https://goo.gl/forms/1joLpxc12eORZli72>.

MADE POSSIBLE BY **Golisano** FOUNDATION

Why Coaching Matters? – Coaching is a vital part of the Special Olympics organization.

Our coaches are role models and help improve sports skills in our athletes. It is necessary for our coaches to exemplify good sportsmanship and model character traits to enhance the sports experience for our athletes. The lessons our athletes learn from coaches on and off the field – teamwork, self-discipline, and confidence – carry over into the athletes' everyday lives.

Tier 1 – Sports Volunteer (Chaperone)

The first tier of our Coaches Education program is the Sports Volunteer or Chaperone member of a team/program. Any prospective coach needs to go through these four requirements to be cleared to chaperone a team or an athlete. These are the basic forms that screen our coaches to ensure our athletes safety which is our number one priority in Special Olympics. All of these items will need to be done only once and should take less than 30 minutes in total.

- [Volunteer Screening - WSP Form](#)
- [Protective Behaviors Quiz](#)
- [Orientation Video / General Orientation Quiz](#)
- <https://coachesregistration.my-trs.com/>

Tier 2 – Head Coach / Assistant Coach

The second tier of our Coaches Education program is the Head Coach/Assistant Coach. Any coach that wants to be a Head or Assistant Coach has to complete all of the items listed below. The items in this tier are more tailored to specific sport needs and require an in-person training. The in-person trainings allow for a development of skills and drills for a sport that coaches can bring back to their practice and games. The online section of this portion will take 1 hour and 15 minutes in total. The in-person trainings will be 3-4 hours depending on sport and venue availability.

- [Concussion Training](#)
- [Sudden Cardiac Training](#)
- In-Person Sport Specific training
- [Coaching Unified Sports](#) – Only required if program/team is in UnifiedSports

Tier 3 – Continuing Education

The third tier is the continuing education portion of our Coaches Education program. We want all of our coaches to get involved in other sports and events that Special Olympics has to offer. This is also a great opportunity for our coaches to get more experience with Special Olympics athletes on and off the playing field. We want our coaches to do one of the following each year.

- Register to volunteer at an Special Olympic Event
- Complete for a Continued Education Course (Sportsmanship, Principles of Coaching, etc.)
- Waiver for Continued Education

Area Services

Area Services is continuing to develop and support the Area Directors and the Area Leadership Teams. Many Area Leadership teams are stepping up and filling gaps in administration, fundraising, finances, and other roles. Continue to keep your eyes out for announcements of new roles and people filling these needs. If you have people interested or capable of serving on your Area Leadership Teams, please see [Justin Kautz](#).

Please follow your Area Facebook pages for updates and information about your areas!

Finances and Fundraising

In the last two years SOWA has undergone changes on the finances and fundraising of the organization. Starting in 2018, teams/programs are officially responsible for the following program costs: transportation, equipment, facilities, and uniforms. Local Program Coordinators/coaches need to have a plan for programming and understand the expenses that support them. There should be a plan to fundraise to support the expenses for the programming plan. Begin planning NOW accordingly for your spring season expenses and work with your Area Director and/or Area Services Manager to develop an expense and fundraising plan.

Each team is responsible for coming together to help fundraise in their area to support local program costs. SOWA has released a series of resources and tools coaches, Area Directors, and Fundraising Coordinators are able to use to help each area reach its goal. As a state we have transitioned from an annual campaign to a seasonal campaign in an effort to have 100% participation from our athletes, families, volunteers and more. Some athletes may have already met their peer-to-peer goals during the first quarter of the year with Winter Sports, others may continue to fundraise.

Tools to Get Started

- Each area now has its unique donation URL. Teams can create a page specific for your team budget and your spring goal. You can invite others to join your fundraising team to help spread the word. This will provide you will a way to fundraise online and track the money your team raises. Money received offline and marked for your team will be manually entered by SOWA staff. This page can be created at any time – but the area goal found will be updated for Spring on March 30.
- A Coach's Resources guide is available online with information on peer-to-peer fundraising. Redesigned envelopes are available for peer-to-peer fundraising to help empowers athletes to be advocates. In addition, you will find resources like pre-written business solicitation letters, webinars on 1111how to fundraise, and more.
